OCF MEMBERSHIP PROGRAM

Dave Brenner, Business Development, Intel Corp.
OCF Event Task Group Chair

May 31, 2016

OCF Membership Workgroup Objectives

- Continue to build on the growth momentum of OCF with more companies joining.
- Encourage members to help contribute to the development of the specifications and code
- Ramp the number of companies delivering end user products and services and certify OCF compliant products
- Manage membership benefits to continually make OCF more “open” to a broader ecosystem

Membership Program and Update

Original membership benefits

Membership benefit updates

- **Gold**

- \$2k membership fee
- Can participate in all OCF activities

- **Platinum**

- \$50k membership fee
- Can lead workgroups and task groups
- Voting rights
- Eligible to be elected to 2-year term on OCF board

- **Diamond**

- \$350k membership fee
- Can appoint director to sit on OCF Board of Directors

- **New “Basic” membership level**

- Requires signing the OCF membership agreement
- No membership fee
- Can access and review all OCF documentation and in-process work, but can't attend calls or F2F meetings
- Access to certification tools for self test – full certification and logo require upgrade to Gold membership

- **Added benefit for Gold membership**

- Gold members can now lead task groups and projects
- Can be part of a group to sponsor new projects

- **New tiered fee structure for “Platinum” members**

- ≥ 5000 employees = \$50K
- 500-4999 employees = \$30K
- 100-499 employees = \$10K
- < 100 employees = \$5K
